

# Where I Live

## GOAL:

Participants gain awareness of one's relationship to one's environment.

## NAME: \_\_\_\_\_

## DATE: \_\_\_\_\_

## ACTIVITY TIME:

30 mins to 1 hour + Group Discussion

## WHAT YOU WILL NEED:

- Writing instruments to write down some notes

## INSTRUCTIONS:

1. Answer the following questions. Write as much as you can with the time that you have.

- a. How would you describe the air quality where you live?
- b. What is the geography of your community? Do you live near the beach? Mountains? In the city? In open farmland? In the desert?
- c. Describe the demographics in your community. What are the different groups that live in your community or in nearby communities?
- d. What kind of jobs and industries are there in your community?
- e. What is the traffic like in your community?
- f. Generally speaking, what is the health of the people in your community?
- g. What are the factors in your community that contribute to the air quality?
